# Level 3: ELITE

### **ELITE PERFORMANCE**

The optimal blend of two fabrics in one modern race shirt: 100% polyester fabric and breathable fine mesh. With a full-mesh back and polyester front for maximum breathability, the "Elite" has the ultimate air flowing construction. No limitations to color saturation and brightness, and all add-ons are included. The shirt's flat-lock seams and tag-free label reduces chafing and irritation otherwise caused by constant friction against the skin. INSTAWICK™ moisture-wicking technology helps move moisture away from the body to help keep you dry and ready to annihilate any race! For those teams, clubs or events whose imagination have no limits, the Elite brings to life any design, color and construction you desire.

# Level 2: CORE

### BREATHABLE CORE PERFORMANCE PLUS

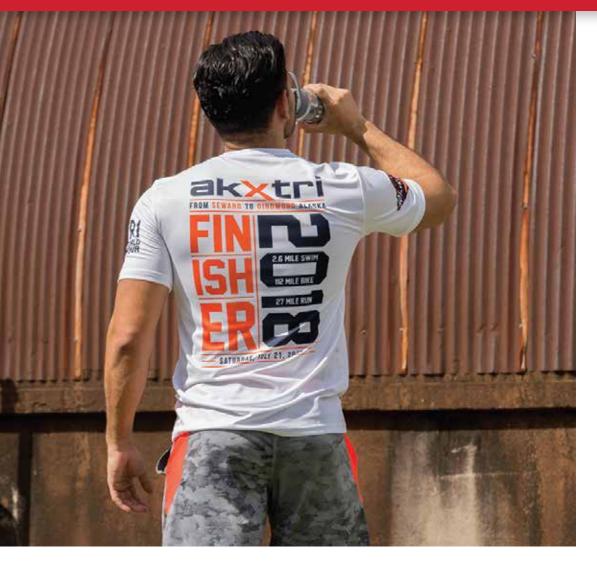

Our Breathable Core Performance Plus tee takes all the qualities of the Event Breathable Race Performance and puts it into overdrive. With no color saturation and brightness limitations and with all addons included, this strong, crisp yet ever-so-soft 100% polyester tee takes it to the max. It also maintains maximum airflow throughout to prevent overheating. INSTAWICK™ moisture-wicking technology wicks moisture away from the body to help keep you dry and on top of your game all day long! The perfect performance-grade garment for races, you will experience a whole new level of comfort with its tag-less label, effectively reducing skin irritation and chafing. For full-color designs and top-of-the-line added trims, teams, clubs and events who want to generate a wow-factor for their customers will make a beeline for this Core Performance Plus tee.
